Here ends the enumeration of persons domiciled in Marion on June 1st 1920.
Nathaniel J Davis Jr

In some manner the information leaked out that Marion did not speak the usual mode. It was claimed that quite a number of persons had not been enumerated and a list of some 200 names was secured of persons claiming not to have been visited by the census. The persons enumerated by Davis and myself carefully checked this against the returns, eliminating all but three families who stated they resided in Marion two full days after the date of the census was supposed to be taken. These were investigated by Mr Hayes and myself and found the fact that they did reside in the Corporate limits of Marion on June 1st and are not enumerated except on this sheet.
